This collection contains works from each of the 58 artists (artist's surname beginning with A - F), with altogether 2,124 works. Each work is available in electronic format with various access options, however, only for scholarly and library collection development purposes.

We can provide for each artist the name of each work and information about size, technique and years of paintings & drawings. For some works we can supply art-historian descriptions such as 'genre' and further description for each work and artist.

Available are also compiled sets such as 'bathing scenes', 'mythology', 'still life' or 'landscape' etc.

Catalogues are available for scholarly purpose or collection development and will be charged, prices vary. Quantities of artists, works, media etc are subjected to change without prior notice.
