The texts of the old and rare books are newly-published in an electronic version (ebooks) including digitally-enhanced facsimile pages showing the original text, design and layout. Content-related bookmarks have been implemented manually and vary from one ebook to another, which also means the users can see on their computer screen a new kind of navigation never previously available. Users subsequently have the ability to link directly to specific chapters / pages in the text.

The original works in this collection are from the renowned 'Bibliothek Stein' with 2,190 titles, containing rare books, pamphlets, brochures and leaflets. The texts - compiled under subject headings - have been selected by scholars and are republished in four collections: *Politische Geschichte* (447 titles) / *Arbeiterbewegung Primärtexte* (951 titles) / *Arbeiterbewegung Sekundärtexte* (490 titles) / *Sozialismus, Wirtschaftspolitik, 19. & frühes 20. Jhrdts.* (302 titles).

For scholarly research users have new and unprecedented accessibility to the content. This collection is available for purchase with different electronic access options.

These altogether 2,190 titles / approx. 280,000 full text pages in their technical innovativeness support studies well beyond *History, Economics, Politics, Labormovement* such as *Area Studies* and *Cultural Studies*.
